Suggestions For 2025/2026 Season

- #1 Each team must have 10 players min!
- #2 If you have 1 player that can only play 1 game then you need 11 players!
- #3 If you have 2 players that can only play 1 game each then you need 12 players!
- #4 To Achieve the above we may have merge two teams.
- #5 No Div. #1 players can be used as Subs in Div. #2 or #3
- #6 Div. #1 can pull Subs from Div. #2 or Div.#3
- #7 Div. #2 will pull Subs from Div. #3
- #8 Div. #3 will pull Subs from Div. #2

Numbers #2 and #3 will help minimize the use of sub's.

Last season we used 117 Sub's with 1 venue using 81 of the 117

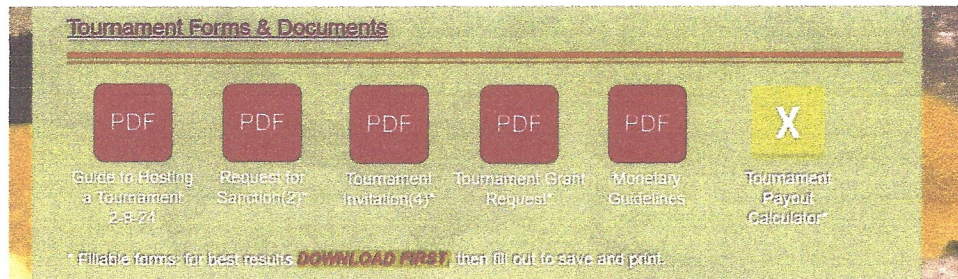

" OPTION " Each team players only 3 Boards then you could have 8 players min.
#2 and #3 above will be applied here as well.
