New Business:

The Executive Board has decided that District 7 no longer needs to use referees during tournaments (except for special cases). The venue can choose who will be the head ref and the ATM can be a backup.

Next year the team divisions will be revamped. More discussion will follow on this subject.

Open Discussion:

We had a guest speaker, Becki Grass, who is the president of TLHW HOA. She gave us points and ideas on how to work with the city to keep our shuffle building in the park.

Meeting adjourned at 11:15. Next meeting is May 2 with elections on the agenda.

Respectfully Submitted

Alice Beers

District 7 VP, Acting Secretary
